Perused record.</p> <p>On 19.12.2014 we had directed the authorities particularly the District Administration to keep vigil with regard to the cultivation of vegetables using sewage water and ensure the removal or destruction of the vegetables produced. This order was in sequel to the directions passed on 20.05.2015 to prohibit the marketing of such vegetables and order its destruction. M.A No. 619/2014 which is before us today was filed on 12.11.2014 seeking directions to the Respondent No. 3 and 9 not to destroy vegetables produced by marginal farmers of Shahpura Sabji farms. Order dtd. 13.10.2015, recall of which is sought by the Respondent No. 6 in M.A No. 730/2015, to some extent deals with the hardships of the farmers who make their living from sewage farming.
